Instant hot showers for your outdoor adventures

THE LEADER

INSTANT PORTA

1 GREEN
For years, Zodi™ has made environmental choices a top priority. From our offices to our factories, we are constantly working to reduce our carbon footprint.

2 INNOVATION
Zodi™ leads in delivering innovative products that enhance the camping comfort experience. Zodi™ products are now found in 74 countries as well as on Mt. Everest and Antarctica.

3 CONVENIENCE
Zodi™ products are dependable, compact and portable – designed with you in mind. Our convenient high-quality showers provide hot water in just seconds.

& INNOVATOR FOR

BLE HOT WATER

4 COMFORT

Zodi™ products are self-contained and offer an unparalleled level of comfort to campers, backpackers, boaters and other outdoor adventurers. Zodi™ hot showers anytime, anywhere!

5 PERFORMANCE

Think Zodi™ and you think performance! Our rugged products are built to perform in all conditions. In fact, Zodi™ products are so tough, they are used by militaries worldwide.

6 RELIABILITY

Zodi™ products are premium quality – reliable, safe and built tough, so they're ready when you are. Zodi™ also offers peace of mind through unmatched customer service.

"Thanks for making this great product! I go on 4-5 camping trips each year in remote areas, and the Zodi Hot Shower is a must. It's so easy to use, I recommend it to all of my friends."

HOT TAP™ SINGLE BURNER

INSTANT WATER HEATER & HOT SHOWER

Portable and self-contained, the Hot Tap™ is one of our most popular instant hot showers. Enjoy the convenience of instant hot showers with matchless push-button ignition. Equipped with a stainless steel burner, this Zodi™ shower provides endless hot water in just seconds. Includes a powerful battery-powered water pump and a rugged plastic storage case that doubles as a 4-gallon water container and propane tank base. Ideal for family camping, emergencies, RVs and more. (Propane tank & 4 D-cell batteries not included.)

BENEFITS

- Multi-purpose storage case holds water for up to a 10 minute shower
- Heats 60+ gallons of water between battery and propane refills
- Adjust water temperature up to 100°F with gas valve
- Easy to use – simply submerge pump in water & ignite heater
- Waterproof battery case with on/off switch (requires 4 D-cell batteries)
- Powerful 6V pump with debris screen provides great water pressure
- Complete system features compact size for easy transport & storage
- Fueled by convenient 16.4 oz propane cylinder (not included)
- Premium-quality heater is constructed of 100% metal for extra durability
- Piezo push-button ignition for instant-on convenience
- Industrial-grade brass hose connectors

"What a difference! I've been camping in Ontario for the last 8 summers. With my Hot Tap HP, I have a hot shower every night. Zodi definitely makes the best outdoor hot shower ever."

HOT TAP HP™ DOUBLE BURNER

HOT SHOWER FOR 4-SEASON USE

The rugged all-steel construction of the High Performance instant Hot Tap HP™ makes it perfect for all-season use. This portable double-burner hot shower system heats unlimited water on demand. Features convenient matchless push-button ignition and includes a sturdy 4-gallon multi-purpose storage case. The best high-output instant hot shower ever! A complete system, including powerful battery-operated pump that draws water from any water source. (Propane tanks & 4 D-cell batteries not included.)

BENEFITS

- Double-burner design for High Performance year-round use
- Adjust water temperature up to 100°F with gas valves
- Easy to use – just submerge pump in water & ignite heater
- 8-ft flexible shower hose with water-saving showerhead
- Matchless push-button ignition for extra convenience
- Multi-use storage case is rugged and super-compact for easy transport
- 4-gallon case holds enough water for a 10 minute shower
- Powerful pump with debris screen offers great water pressure
- Fueled by convenient 16.4 oz propane cylinders (not included)
- Heater is constructed of 100% metal for extra durability
- Industrial-grade brass hose connectors

"Big smiles from the edge of the Colorado River! After twelve years of rafting, my trip last month was the best ever thanks to the wonderful hot showers from my new Extreme SC. I am absolutely amazed at how well the system works."

EXTREME SC™

HAND-PUMP POWERED HOT SHOWER SYSTEM

Featuring stainless steel construction and convenient hand-pump operation, the Zodi™ Extreme™ has been the #1 hot shower of choice for back-country use for years. The 10,000 BTU multi-purpose steel stove completes the Extreme™ as a truly self-contained hot shower. Includes water temperature indicator and a shower pole holder for extra convenience. (Propane tank and shower pole not included.)

BENEFITS

- Heats to about 100°F in 5-10 minutes
- Handy thermometer displays water temperature
- Simple to use – just fill with water and place on included stove
- Multi-use 10,000 BTU heater and cooking stove collapses for transport
- Sealed 1-piece hand pump pressurizes system quickly without batteries
- 6-ft shower hose with water-conserving showerhead
- Durable stainless steel construction will never rust
- Brass on/off valve controls water-flow
- Storage bag is soft-sided and oversized, with carry strap

"The X-40 was super easy to set up right out of the box and far exceeded my expectations in terms of the hot water it cranks out! Plus, the pump is way powerful, so I was able to place the heater next to my camp, where I wanted it, instead of next to the river. This is the best thing for my camping trips!"

ULTRA HIGH-OUTPUT HOT SHOWER

The Zodi™ Hot Tap X-40™ is an ultra high-output instant water heater and shower designed for professional outfitters, base camps, cabins and horse trailers. The X-40™ delivers up to 50 hours of continuous hot water per propane refill. The 16-ft long hose allows use all over camp. Connect to any garden hose using the universal hose connector or draw from any water source using the included 12V pump. Retractable legs, rugged steel handles and a padded storage bag make for easy transport and storage. The toughest portable water heater available anywhere. So tough, it's even in use in the Antarctic! (Propane tank not included. Requires 12V power source.)

BENEFITS

- Packed with a 40,000 BTU burner for instant hot water
- 12V high-flow pump for great water pressure anywhere
- Delivers unlimited hot water for showers, dishes and more
- Extra-long 16-ft shower hose with water-conserving showerhead
- Rugged gas valve adjusts water temperature in seconds
- Electronic ignition system for instant-on heat (requires AA battery)
- Designed to connect to included 12V pump or any garden hose
- Durable padded gear bag with carry straps for easy storage & transport
- Steel handles on each side for easy placement around camp
- Retractable legs for compact storage & convenient transport
- Gas regulator connects to a 5-gallon or larger propane cylinder
- 100% steel construction for ultra-high performance in harsh environments

"My friend recommended the Zodi i.hut as the best privacy tent around. With its generous size, you have a lot of space and the huge clip-on floor is so convenient – you aren't showering on dirt or rocks!"

i.hut™ PRIVACY ENCLOSURE

STURDY LOOPS & D-RINGS

FLEXIBLE FIBERGLASS POLES

ZIPPERLESS DOOR

CORNER STRAPS

DETACHABLE FLOOR

PORTABLE XL-SIZE PRIVACY ENCLOSURE

The self-supporting Zodi™ i.hut™ is HUGE – almost 4 ft wide per side and 6 ft across! Great for showering, bathrooms and changing clothes in private. The overlapped door springs shut with pole tension, without the hassle of zippers. The oversized detachable floor keeps you clear of mud and makes clean-up a snap. Industrial quality with professional-rated components. The i.hut™ is the best portable XL-size shower enclosure available!

BENEFITS

- Self-supporting enclosure, sets up anywhere
- XL-size, 4 feet wide per side, almost 6 feet diagonal
- Coated nylon sides for extra waterproof durability
- Corner straps secure i.hut™ on sand & rocks with rocks or water jugs
- Elevated walls & detachable floor for fast & easy clean-up
- Oversized storage bag for easy storage & transport
- Oversized mesh pockets for soap, shampoo & other needs
- Open roof for ventilation of heat & odors
- Zipperless door snaps shut from pole tension

"This product is so great. I have an instant camp fire anywhere without gathering the wood! I can't wait to get one of your showers!"

i.fire™

METAL FLAME SCREEN

STAINLESS STEEL BURNER

METAL HOUSING

FLAME CONTROL GAS VALVE

4 SNAP-IN SPIDER LEGS

STURDY PROPANE BASE

PROPANE-FUELED CAMPFIRE ANYWHERE

The Zodi™ i.fire™ uses propane to provide an instant campfire, without the need for wood or the mess of coals and ash. Perfect for use on the patio, out at the beach, or at your favorite campsite. Simply connect to a 16.4 oz propane cylinder and ignite. The all-metal gas-powered design of the i.fire™ is approved for use in most areas restricting open fires. Very lightweight and compact. Take it anywhere! (Propane tank not included.)

BENEFITS

- All-metal construction approved in most fire-restricted areas
- Eliminates the need for wood and the mess of coals and ash
- Stainless steel burner construction for extra durability
- Fueled with convenient 16.4 oz propane cylinder (not included)
- Compact size for easy transport
- Sets up fast and easy to use
- Includes custom bag and propane base with spider legs

ACCESSORIES

**FIRE COIL™**

The Zodi™ Fire Coil™ is designed for convenience, delivering hot water with just a camp fire. Simply connect the Fire Coil™ to an elevated water jug and place the coil in the camp fire. Water flows from the elevated jug, through the hot coil, into the empty lower water jug. Lightweight and compact. Great for heating solar showers at night. (Water jugs not included.)

Product #	7002
UPC	6 84805 07002 6
Weight	2 lbs
Box Size	26½" x 8½" x 4"
Packaging	4-color box
MSRP	see price list

**GARDEN HOSE ADAPTER**

Connect your Zodi™ hot shower to any garden hose for a never-ending water flow.

Product #	1095
UPC	6 84805 01095 4
Weight	1 lb
Box Size	8" x 5" x 5"
Packaging	color label on white box
MSRP	see price list

**SINGLE BURNER BULK PROPANE TANK KIT**

The Single Burner Bulk Propane Tank Kit delivers up to 60 hours of use with Zodi™ heaters when connected to a standard 5-gallon propane tank. Includes a powder-coated bracket for attaching to the propane tank collar. Features a convenient thumb-wheel for hand tightening – no tools required. (Tank not included.)

Product #	1092
UPC	6 84805 01092 3
Weight	2 lbs
Box Size	12" x 8" x 4"
Packaging	color label on white box
MSRP	see price list

**TWIN BURNER BULK PROPANE TANK KIT**

The Twin Burner Bulk Propane Tank Kit will give you up to 50 hours of use with either the Hot Tap HP™ or the Hot Vent™! Includes a mil-spec propane Y-hose for double burner showers and a powder-coated bracket for attaching to the propane tank collar. The Bulk Propane Tank Kit delivers up to 500 showers between propane refills. (Standard 5-gallon tank not included.)

Product #	1090
UPC	6 84805 01090 9
Weight	3 lbs
Box Size	12" x 8" x 4"
Packaging	color label on white box
MSRP	see price list

SHOWER POLE WITH TRIPOD STAND

Enjoy hands-free showering with the adjustable Zodi™ shower pole. The tripod base provides great stability on all ground conditions. The pole collapses for washing hands or dishes. Includes a handy nylon storage bag. Designed to also work with the Zodi™ i.hut™.

Product #	1068
UPC	6 84805 01068 8
Weight	3 lbs
Box Size	12" x 2" x 8"
Packaging	4-color box
MSRP	see price list

6V REPLACEMENT PUMP

The 6V pump is ultra convenient. Just add 4 D-cell batteries and place the compact and powerful pump in any water source. Designed specifically for use with Zodi™ water heaters 6185, 3970, 3920 and 6125. This is also the replacement pump for the 1066, 1061 and 1060. (Batteries not included.)

Product #	1067
UPC	6 84805 01067 1
Weight	1 lbs
Box Size	8" x 5" x 5"
Packaging	color label on white box
MSRP	see price list

12V PUMP WITH CLIPS

The 12V pump connects to any 12V battery with the convenient jumper-cable style battery clips. Expect great water flow and 24/7 performance. Pump includes clips and a 10-ft cord. Provides up to 1 gallon of unrestricted water flow per minute. Works with Hot Tap™ and Stove Top™ models.

Product #	1094

Zodi Reseller Terms & Conditions Section 1

Payment Terms for Opening Order - All opening orders with completed credit application requires prepayment. With approved credit application Net 30 terms apply with second order. All International orders are prepaid.

Minimum Order – All orders are required to fill case/quantity as listed on the most current Zodi wholesale price list (with the exception of drop ship orders.)

Credit Terms - With approved reseller credit application, reseller is extended Net 30 payment terms and wholesale pricing on Zodi products. By purchasing Zodi products at wholesale pricing, reseller agrees to comply with the Zodi Reseller Terms and Conditions. Resellers who fail to pay within 30 day period from merchandise shipment FOB Midvale Utah, are placed on credit hold and all new or existing orders will not ship until full payment against total outstanding balance is paid. Unpaid balances past 60 days may be turned over for legal collection at Zodi discretion. Accounts past 60 days automatically disqualify for Net 30 terms and all current and future orders must be prepaid after outstanding balance has been paid in full. Zodi will charge 18% interest on all past due invoices. All international orders are prepaid. Credit application must include copy of business license or federal Reseller Tax ID number.

FOB - All freight is shipped FOB Midvale Utah. Zodi will ship using your preferred carrier if carrier account number, carrier name and contact number is noted on PO. If no preferred carrier is listed on PO, Zodi will ship freight on Zodi's preferred carrier at posted freight charges.

Freight Claims - Freight shortages or damage claims must be made directly with Freight Company. Zodi responsibility is transferred to Freight Company when Zodi loads freight onto freight truck. If shortage or damage is noticeable, shortage or damage needs to be specified at time of receipt and file claim with Freight Company. If damage is concealed, you must notify carrier immediately and file claim report with Freight Company. Do not discard box as carrier may need to inspect box for claim to be processed.

Warranties - Zodi products are warranted for 90 days to original buyer providing sale was made from authorized Zodi reseller. Customers who purchase product from unauthorized Zodi resellers are not covered with Zodi product warranty. Zodi does not warrant product that has been abused by consumer, found to be operated other than intended design purposes and/or not operated in compliance with Zodi printed directions. A full copy of the Zodi warranty agreement and directions can be found on factory website www.zodi.com.

Copyright Art & Text - All text and art in the Zodi catalog and on the Zodi web site are copyrighted and for the exclusive use of Zodi. Approved resellers in good standing may use art and text found in the dealer section of the Zodi web site. Use of this art and text is reserved only for authorized resellers. Authorized resellers are those with a signed credit application on file with Zodi, current on all invoices and in compliance with reseller terms and conditions and other agreements as posted on factory web site including all posted amendments. Non-authorized resellers will be prosecuted for any use of Zodi copyrighted material.

Internet Auctions - Zodi products are only distributed through authorized resellers. Any reseller found reselling Zodi products on any internet auction site below MAP pricing will lose reseller status.

Zodi Reseller Terms & Conditions Section 2

MAP - Zodi products are only distributed through authorized resellers. Reseller found advertising products below the Zodi MAP will lose reseller status.

Drop Ship - Zodi drop ship program is available to any authorized reseller in good standing. Drop shipments are process and shipped within 48 hours of receiving written PO from reseller unless item is backordered in which case, reseller will be notified. All drop ship orders must be prepaid with reseller credit card. Net 30 terms do not apply for drop-shipments. Drop shipments are limited to USA addresses only. Flat UPS charges as listed at UPS.com plus a \$5.00 per address fee will apply. All invoices for drop shipments are calculated from current Zodi wholesale price list - drop ship orders are not available for other discounts or promotions. For complete drop shipment procedures see factory web site under Dealers / 2011 Drop Ship Program.

Returns - Zodi guarantees our products will perform as advertised. Customers must return product to Zodi for repair or replacement (at Zodi discretion). Resellers are not authorized to "swap out" defective item with new item. Customer must also be directed to Zodi to troubleshoot product. We are able to correct 90% of customer concerns on the phone. Resellers will direct customer to call toll free 1-800-589-2849 for assistance.

Restock - Zodi charges a 20% restock fee on any new product returned to Zodi for a credit. Product must be returned in unopened and undamaged box. Freight to Zodi must be paid by reseller. If product was shipped to reseller on special shipping promotion, the original outbound shipping amount will be be deducted from credit. All returns are applied as reseller credit for 12 month period. RA number must be attached to all boxes - call 800 589 2849 for RA number. Restock must occur within 30 days of item shipping from Zodi, and product must be received by Zodi within 30 days of issuing RA. All returns must require signature for confirmation of receipt at Zodi. Special make-up or private label orders cannot be returned.

Confidential Information - All pricing given by Zodi to its customers/resellers is confidential and will NOT be shared with anyone, except its direct employees who have a need to know the Confidential Information. Pricing will NOT be shared with any Zodi customer or any third party. All information provided by Zodi is owned exclusively by Zodi. Zodi resellers/customers shall protect the Confidential Information to the extent it protects its own data from unauthorized disclosure, including without limitation shredding, or destroying all erroneous, superfluous or otherwise unneeded tangible embodiments of the Confidential Information.
