### **NEW!** PORTABLE HAND WASHER soft case

The Zodi self-contained portable hand washer includes our durable 5 gallon soft-sided case that doubles as a solar water heater. Ideal for rinsing dishes, cleaning up kids, showers and more. The compact pump uses 4 D-cells and provides great water pressure.

*item no. 1064*

### **NEW!** SHOWER ON THE GO draw-string bag

The collapsible draw-string bag is self-supporting and holds its shape from the weight of the water. It holds over 4 gallons of water for solar heating. The pump requires 4 D-cells and provides great water pressure for showers.

*item no. 1062*

**NEW!**  
**HOT TAP X-40**

New for 2005—The Zodi Hot Tap X-40 is a very high output, instant water heater and hot shower. Designed for outfitting base camps, and cabins this shower is constructed of rugged steel for extra durability. It is packed with a 40,000 BTU burner for instant heat, and a 12-volt high flow water pump for great water pressure, delivering unlimited hot water for showers, dishes and more. The Hot Tap X-40 also includes an extra long shower hose and a self-contained electronic ignition system for extra convenience (requires AA battery). Gas regulator connects to all 5 gallon or larger propane cylinders. Legs detach for convenient transport.  
*item no. 5146*

**PRO VENT**

With 70,000 BTUs of safe heat, the Pro Vent is in use world-wide for heating portable shelters. Designed to work safely with all types of enclosures and tents, the Pro Vent keeps carbon monoxide outside and the clean, safe heat inside. This rugged heater is built from stainless steel for extra durability. The blower and airducts are sold separately.  
*item no. 5990*

## **NEW!** **PRO 100 HOT TAP**

The PRO 100 provides over 100,000 BTUs of instant heat for high volume hot water flow. The PRO 100 can handle up to three hot shower heads for multiple hot shower stations. One shower head is standard, and the 2nd and 3rd quick disconnect shower heads are optional. The Pro-100 includes the transport cart shown here. Electronic ignition requires 3 AA batteries.

## **PRO 70 HOT TAP**

The PRO 70 is our most popular industrial hot shower system ever! It provides 70,000 BTUs of heat in just seconds. One shower head is standard; an optional second shower head can be added. In use worldwide, the PRO 70 works with all types of shelters.

*item no. 5150*

## **HOT TENT? ON A COLD NIGHT?**

Enjoy the pleasure of a warm tent anytime, anywhere! Having safe, comfortable heat in the outdoors has never been so easy or so convenient. • Our high-quality tent heaters are packed with performance and deliver directional safe heat in just seconds.

• **Completely Safe** • **Fast** • **Convenient** •

Built tough for extra durability, the Hot Vent is ideal for family campers, outfitters, RV and cabin owners, hunter's and anyone on the move who wants safe heat on demand. • From the base camps of Everest, to the snowswept Rocky Mountains, thousands of outdoor enthusiasts just like you count on Zodi quality every day to safely warm their tents and shelters.

## **WITH ZODI GEAR YOU CAN.**

## SAFETY FIRST

Zodi propane tent heaters are designed to stay outside while bringing clean, dry warm air into your tent. This prevents carbon monoxide from building up inside the tent. It also eliminates any dangerous heat source that could burn someone or cause a fire. With Zodi, you get worry-free, safe, clean, dry, directional heat.

### metal housing

- compact design
- sealed exchanger

### 12-volt blower

- positive air flow
- clean
- hi-flow

## SINGLE BURNER HOT VENT hard case

The safest tent heater ever! Simply place the heater outside the tent and insert the air tubes through the tent door. A small fan (hidden inside the cold air duct) connects to any 12-volt battery. In just seconds, safe dry hot air flows into your tent. Designed with a sealed heat exchanger, dangerous gasses and smelly odors stay safely outside the tent. This Hot Vent is great for off-season camping. *item no. 9174*

HOT  
VENT

**“ WHAT A TREAT! I HAD NO IDEA WHEN I ORDERED THE HOT VENT, HOW POWERFUL IT WAS. LAST JULY IT SNOWED ON US IN IDAHO. WAKING UP TO A WARM TENT IS INCREDIBLE! WITH OUR ZODI HOT VENT, WE’VE GOT IT GOOD! ” Wendy Jenkins - Port, MN**

## **NEW!** SINGLE BURNER HOT VENT soft case

Zodi's best selling propane tent heater includes our rugged soft case that compresses for storage and transport. The Hot Vent is very popular for hunting, ice fishing, and four-season camping. On cold days just recirculate air by placing both tubes inside the tent (heater stays outside). The fan connects to any 12-volt battery. *item no. 9173*

# **IMPROVED!** **DOUBLE BURNER** **HOT VENT** hard case

Our High-Performance 20,000 BTU model is the #1 pick for hunters and those with larger heating requirements. Ideal for wall tents, trailers, or use in environments of extreme cold. A solid performer and proven winner, this Hot Vent is the best choice for higher altitudes and four season camping. The fan requires a 12-volt battery.

bulk propane kit

## IMPROVED! SHOWER POLE

Enjoy hands-free showering with the Zodi adjustable shower pole. The tripod base provides great stability on all ground conditions. The pole collapses for washing hands or dishes, and it stores in the included nylon bag between uses. The shower pole works with all Zodi showers.

*item no. 1068*

## BULK PROPANE KIT

**for single and double burner models**

This kit will give you up to 60 hours of use with either the Hot Tap or Hot Vent! It has a high quality mil-spec approved propane "Y" hose for double burner, along with a powder-coated bracket that attaches to the propane tank collar for convenience. There is also a thumb hand wheel for tightening — no tools required — and is available in double or single burner models. With this kit you can get over 500 showers!

ACCESSORIES

### 12-VOLT PUMP W/ PLUG

The convenient Hot Tap 12-Volt Pump, with its cigarette style power plug and 10-foot power cable, delivers water flow for your Hot Tap or Stove Top from any 12-volt power supply.

*item no. 2010*

### 12-VOLT BATTERY

Built tough, the compact and sealed 5.5 amp gel cell is only 4" square and weighs approx. 4.6 lbs. Its 12-volt female connector connects to the Zodi 12-volt pumps, charges cell phones, runs lap-top computers, fish finders, and more.

*item no. 1091*

### NEW! 12-VOLT H/O PUMP W/ PLUG

This High Output 12-volt pump is designed for the Zodi X-40 Hot Tap. It includes a 10-foot power cable with cigarette lighter style power plug.

*item no. 1093*

## PRIVACY ENCLOSURE

This enclosure is huge—almost 4 feet wide per side (almost 6 feet diagonal). This self-supporting shower enclosure has coated nylon sides for extra waterproof durability; you will find NO zipper to get muddy and stuck—the door is overlapped and springs shut automatically. The corner straps secure firmly on sand with rocks, water jugs, or stakes. The privacy enclosure works great for showering, bathrooms, and for changing clothes in private. The enclosure includes detachable floor and over-sized storage bag for extra convenience.

*item no. 1063*

**“ AFTER 12 YEARS OF RAFTING, MY TRIP LAST MONTH WAS THE BEST EVER THANKS TO THE WONDERFUL HOT SHOWERS FROM ZODI. I AM ABSOLUTELY AMAZED HOW WELL THE SYSTEM WORKS. GREAT PRODUCT! ” Jake Adams - Denver, CO**

**15**

### GARDEN HOSE ADAPTOR

Connect your Hot Tap to any garden hose for never-ending hot water flow. Ideal for anywhere that pressurized cold water is available. High quality brass connector will never fail, crack, or rust.

*item no. 1095*

### 6-VOLT PUMP & BATTERY PACK

This 6-volt replacement water pump includes a pump, battery case and a 4-foot power cable.

*item no. 1067*
